

MEMORANDUM

TO: To Whom It May Concern

FROM: Sue R. Robertson, P.E.
Board Engineer

While conditionally approved by the Board, final approval is pending submittal of original insurance forms and signing of a contract with the Board. The list may be updated when other consultants complete their applications.

While the contractors have met the experience and other requirements of the Board, the appearance of a contractor on the Board's approved list of contractors shall in no way establish liability or responsibility on the part of the Board of the State of Alabama in regards to the services provided by the contractor or circumstances which may occur as a result of such services.
